Slow Slalom Course

At 12:00 noon we will meet at the Maple St. parking lot across the tracks from the Freight Station in Depot Town ([new location](#))

We will have a Slow Speed Slalom timed course set up, that will average around 30 mph.

There will be a food vendor there to provide a source for lunch.

After the thrill of driving our fine German machines around the course, we will drive to the Host Hotel for a Pizza Party (Compliments of Dominos) and Volkswagen Theme Movies.
